Dear Dr. McAllish:

Thank you very much for your contribution of \$2,500 for our meeting on Lipid Mediators in Organ Transplantation. I ensure you that the money will not be used for participants from the industrial sector. Your support will of course be acknowledged in the final program, which I will send as soon as it becomes available.

I am also enclosing a copy of a book written for the celebration of Alexis Carrel's 100 years birthday at Georgetown.

Sincerely,

Marie L. Foegh, M.D.
